Purchased homestead of
William Shunn.
Entry granted 15th April, 1918.

On the 1st August, 1919, William Shunn made application for patent for his purchased homestead claiming continuous residence from date of entry to that date and one hundred and twenty-two acres under cultivation.

An extension of time until the 1st instant was granted Mr. Shunn by the Land Patents Branch within which to complete payment of the purchase money and he now writes stating that owing to crop failure he is not in a position to complete payment. In a former letter Mr. Shunn stated that he was unable to negotiate a loan on his property and that a Certificate of Recommendation would be of no service to him.

Under the circumstances I beg to recommend a further extension of time until the 1st November, 1922. to enable Mr. Shunn to reap another crop. Although Mr. Shunn is heavily involved for seed grain, etc., his indebtedness on that account being over nine hundred dollars, he states that he will require seed grain next Spring. This matter will be referred to Superintendent Cuttle in due course.

OTTAWA, 24th October, 1922.

Sir:

N.W.¼ 36--27--2 W. 4th Mer.
Purchased homestead - William Shunn.
Entry granted - 15th April, 1912.

Mr. Shunn has applied for a further extension of time within which to make the required payments in connection with the above land, and I am, therefore, to ask you to be good enough to look into this case and furnish the Department with a report as to the action that should be taken in this regard.

The facts of Mr. Shunn's case are as follows: application for patent was made on the 1st of August, 1919, showing the performance of over seven years' residence, and the cultivation of one hundred and twenty-two acres covering a period of eight years. The residence duties were performed actually on the purchased homestead, and the buildings thereon were stated to be: a frame house worth $600.00, and a frame barn worth $500.00. Mr. Shunn has only made one payment of $160.00 on account of the purchase of this quarter-section, and his account with the Department at the present time stands as follows:

Bal.	1st instalment	$ 1.00	due 15-4-12 with interest thereon.
	2nd instalment	$64.40	due 15-4-13 with interest thereon.
	3rd instalment	$64.40	due 15-4-14 with interest thereon.
	4th instalment	$64.40	due 15-4-15 with interest thereon.
	5th instalment	$64.40	due 15-4-16 with interest thereon.
	6th instalment	$64.40	due 15-4-17 with interest thereon.

Mr. Shunn's indebtedness to the Department for seed grain advances up to the 31st of March, 1922, amounted to $953.97.

In a letter dated the 6th instant, which I quote hereunder, Mr. Shunn set out his reasons for requesting a further extension of time within which to make the required payments:

"Here it is another Fall and my payments on my land at Sibbald I cannot meet, not even a cent

H.C. Cuttle, Esq.,
Superintendent of Western
Land Agencies,
Winnipeg, Manitoba.

"a cent of interest. I could not farm that place it was so dry. I came over here to my sister's place thinking I could make good here and pay up on my Sibbald place. It has been dry and no crops here this last two years, so there is no use of me staying here thinking to make or get a crop to pay off the other. I tried to summer fallow it this year but no use. it was too dry and hard. Its no use to try to plow it when dry it wears the plow so bad. Now I would like to know if there is any use of me asking your advice as to what you think I ought to do. Ehis is what I am thinking of doing if I don't have to give up the place, of moving on to it and trying Spring rye on it, Spring plow it when it is a little wet as there is a little more rain this Fall and with the snow I might be able to make a job of it. Then I could live there and get some work to do digging wells fixing pumps and so forth until I could see if we could get a crop. I would like also to put part of it into Fall rye in June if I can plow and get the seed. I asked for seed from the Government this Spring. They sent me an order to fill in to get it but I could not get feed for my horses to do the work nor any one to do it so did not get seed. Now what I want to know is can I have it longer or are you tired extending me time on it. I am trying to my best to make good on it but it seems it is almost impossible to get a crop there or here so I don't know what to do. If I can have more time I will give it another trial and do my best to pay something if only the last two years taxes.

Will you kindly answer and oblige,

Sgd. Mr. Shunn.

MEMORANDUM:

Mr. Hume.

Re. N.W.¼ of 36-27-2, W.4th M.
Purchased homestead, William Thunn,
Date of entry, 15th April, 1918.

This man made application for patent on the 1st of August, 1919, and claims continuous residence on the above land from the date of entry to the date of the application for patent, 122 acres of breaking, 122 acres cropped. He has not paid anything in connection with the purchase price nor has he applied for a Certificate of Recommendation. He was granted extension to the 1st of November, 1921, within which to make payments and in November, 1921, was granted a further extension to the 1st of November, 1922.

He now claims that he has been unable to obtain a crop off the above land owing to the dry seasons and states that if given a further extension he will try and obtain a crop next year.

I would point out that the man in a previous letter on file stated that he was unable to obtain a loan on his property and that a Certificate of Recommendation would be of no service to him. He is indebted to the Department for Seed Grain, and relief, to the amount of $953.97 to the 15th of June, last.

Please say if a further extension may be granted this man.

Cancellation proceedings outstanding.

The entrant in this case made application for patent on the 1st August, 1919, claiming sufficient settlement duties completed as shown on form 58-C (marked). The application for patent has been held up pending payment of the purchase price.

No Certificate of Recommendation has been issued.

According to the Patents Branch there was $488.11 due on account on the 1st August last. It would also appear that the entrant is indebted for seed grain in the sum of $1034.41.

Inspector Kembry reported on the 8th November last as follows:

> "I beg to say that I have made enquiries regarding the above named debtor in the vicinity of Pine Lake and found that he lived on rented land there for some time but that he left about a year ago. His present address was given me as Vale P.O., Oregon, U.S.A."

The case was submitted on the 18th December and instructions were given that Mr. Shunn was to be advised that unless arrangements were made for at least a substantial payment on account of the purchase price by the 1st March the Agent would commence cancellation proceedings against the entry.

Cancellation proceedings were instituted against the entry on behalf of the Department on the 14th April last on the grounds of non-payment. The sixty days has now elapsed and no defence has been filed. The Agent asks to be advised as to what action is to be taken in connection with the proceedings pending.

In view of the evidence furnished by the Inspector in his report referred to above, and as the entrant has failed to file a defence, I would suggest that he be gr-

W.½ 31-27-8-W.4th Meridian,
Purchased Homestead - Mr. Shaw.
Date of entry - 16th April, 1918.
Cancellation proceedings outstanding.

The amount due on the above land with interest to the 1st November, 1924, is $210.72.

The Seed Grain Indebtedness with interest to the 31st March, 1924, amounts to $134.41.

The case was submitted on the 26th June last, and in accordance with instructions, the settler was given a final thirty days' notice from the 3rd July to report his intentions with respect to paying for the land. Mr. Shaw wrote the Court from Vale, Oregon, on the 16th July last. The Court filed the letter through error and has just now transmitted it to this office for consideration. Mr. Shaw states that he will not be able to pay the Department for the seed grain advanced, that he lived on the land for nine straight years, during which time he did not secure a crop. He is working on an Experimental Farm, Oregon, and has consulted an expert in the matter of irrigating his pre-emption. The expert, however, has not given him much encouragement. Mr. Shaw asks that the Department make a suggestion as to how he should proceed.

In view of Mr. Shaw's failure to successfully farm the land, it would appear that the quarter-section is not suitable for grain growing. I would suggest that the entry be cancelled.

Kindly see attached letter cancellation

From the file it is noted that Homestead Inspector Cloakey reported in connection with this case on the 13th of December 1923, stating that Mr. Shunn was then living North-East of Trochu.

As it is very desirable that every avenue of information should be exhausted in this case, I would suggest that it be investigated when a Inspector is in the vicinity of Trochu, if anything can be ascertained as to his whereabouts, as the account in this case is of considerable proportions.

Re: Account of Wm. Shuman
N.W. 36-27-2-W4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1918 and 1919 seed grain, fodder and relief amounting to $730.85 were advanced to Wm. Shuman on the security of the above mentioned land. A payment of $55.00 was received in 1927 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$678.47	$1,331.24	$2,009.71

The N.W. 36-27-2-W4 was formerly the purchased homestead of the debtor whose entry was cancelled on the 8th of October 1924, and is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 19th of May 1932, J.E. Fedrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This land is unalienated crown land occupied at present under long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilised for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security for our advances. Under the circumstances it is recommended that the balance of the indebtedness be cancelled.

C.W. Gilchrist.

Sirs

I beg to acknowledge receipt of your notice to show cause of the 2nd inst. I am sorry I have been unable to fulfill my duties in regard to above, as I found it impossible to sell my property in London England in time to be on the land when the first sale was to supply me the means to take this in hand effectively. The land market in this direction in London is well known. With a great sacrifice I have however disposed of it & have now taken up Residence with my families & all mean to handle the half Section in Earnest now.

A Strip of land has been broken on a structure for living erected Having sold my home, I have brought the remainder of my 8 children over at a great expence, we should be perfectly

[illegible] unless if the cancellation should proceed, for the very number of my families should in all expectation become a useful circle of support. I hope you will consider it your way to annull the cancellation particularly as we are all intent to make this a permanent home & work it successfully.

As two of my sons are now old enough to file one as well I should be glad if you will kindly let me know whether any land is to be had in this neighbourhood & in such a case let me have a list of them.

Thanking you in anticipation & awaiting your early reply I remain

MEMORANDUM.

Mr. Hume.

S.W.¼ 36-34-3-W.4th M.
Homestead Ludwig A. Schon.
Date of entry 15th March 1915.

Application for patent has been made by Mr. Schon and submitted by the Agent for consideration.

The application shows two terms of residence on the homestead and one term with his father and 10 acres broken in 1916 and cropped in 1917 and 1918, 7 head of stock in 1917 and 8 head in 1918, frame house value $80.00, barn value $125.00

The Homestead Inspector under date of the 4th June last reported the 10 acres broken to cost $50.00 and this area is already fit for cultivation, and remarks:-

"The 10 acres broken is equal to 50 acres "ordinary prairie, the land is nothing but a mass of "hills and stones only fit for grazing. Stock kept "for summer grazing, winter feeding on his father's "land S.E. 15-34-3-W.4. Barn erected is sufficient "for the stock clause but there is no fence. I was "advised the entrant was in khaki".

The homesteader's father who holds homestead entry for the S.E.¼ 15-34-3-W.4th is a German citizen and unable to produce a Certificate of Naturalization. His son who holds homestead entry for the S.W.¼ 36-34-3-W.4th M. claims to have been born in England, and according to the Department of Militia and Defence enlisted with the 1st Depot Battalion, Alberta Regiment, C.E.F., on the 17th May 1918, and was still on active service on the 1st August last.

As Mr. Schon is a German citizen he would appear to be entitled to patent as he has enlisted with the Canadian Army.

Please say if the cultivation duties may be accepted on the strength of the Homestead Inspector's report and patent issued to Mr. Schon.

Homestead, Ludwik A. Schon.
Date of entr. 19th April, 1915.

Mr. Schon has applied for patent and the duties appear to be satisfactorily completed.

A question has arisen as to whether or not this man is entitled to patent owing to his nationality. The facts are set out in Mr. Harris' memorandum hereunder.

An Order in Council dated the 6th May, 1917, contains the following provision:-

"When any homesteader or other entrant for any lands under any of the provisions of the Dominion Lands Act is on active service as a member of His Majesty's naval or military forces, or of the naval or military forces of any of His Majesty's allies in the present war, the provisions of the Dominion Lands Act forbidding the issue of letters-patent to any person who is not a British subject by birth or naturalization shall not apply to such homesteader or entrant, and the letters-patent for the lands may issue to him notwithstanding that such homesteader or entrant is not a British subject."

In this Order in Council no distinction is made between a neutral and an enemy alien, but as Mr. Schon is a German by birth and ancestry, I consider it advisable to submit for your decision the question as to whether he is entitled to come under the provisions of the Order in Council referred to.

Respectfully submitted,

J. B. Greenway, Esq.,
Commissioner of Dominion Lands,
Ottawa.

Mr. Hume.

Re application for patent of Mr. Ludwig A. Schon for his homestead, the S.W.¼ 36 - 34 - 3 -W. 4th M. Not Recommended.

Would you kindly refer to your memorandum of the 4th ultimo (Marked), also the Acting Deputy Minister's decision thereon.

On the 31st ultimo, the Assistant Law Clerk reported as follows:-

"I consider that, where a homesteader "is on active service, the provisions of the "Order-in-Council of the 8th May should apply "regardless of what his nationality may have "been. I see no reason for making any distinction "because he is a German by birth. This question "might arise if he had not proceeded Overseas "but was with some Unit in Canada, but, in the "event of his having actually proceeded Overseas, "I do not think the question of nationality can "be raised."

A communication has now been received from the Militia Department from which it would appear that Mr. Schon proceeded Overseas with the Canadian Expeditionary Force on the 14th August, 1918.

In view of the foregoing, please say if you will accept Mr. Schon's application for patent as satisfactory, provided the Agent will recommend same.

qualify his statement in view of the amendment to the Naturalization Act passed at the last session of Parliament.

It appears to me inasmuch as Schon, Jr. was born within His Majesty's Dominions, his case falls within the scope of the provisions of (a) Section 1, Part 1 of the Naturalization Act, Chapter 38, 9-10, George V, 1919, that is to say unless on attaining the age of twenty-one years he executed a declaration of alienage he is by birth a British Subject notwithstanding the fact that his father was not a naturalized British Subject within the British Isles and is only now applying for naturalization in Canada. Presumably a statutory declaration in the foregoing connection should be sufficient to meet the case.

Memorandum:

Mr. Hume:

N. E. ¼ 26-34-3-W. 4th M.
Homestead of Johannes H. Schon.
Entry granted 16th March, 1915.

The question in this case is whether Mr. Schon is a British Subject.

In making entry Mr. Schon declared he was born in London, England - a British Subject. In his application for patent dated the 27th of October, 1919, Mr. Schon stated he was a British Subject by birth.

Having occasion to refer to the ~~filing~~ papers relating to the S. E. ¼ 15-34-3-W. 4th M. the homestead of Frederick William Schon, father of the entrant, with whom he had resided in the performance of his residence duties, it was observed that Mr. Schon, Sr. was born in Germany, and the Department was unable to finally dispose of his application for patent pending receipt of his Certificate of Naturalization as a British Subject.

Mr. Schon, Jr. was accordingly written to on the 22nd of March last and asked for an explanation. In reply Mr. Schon stated he was born in London, England, and had always been under British sovereignty. He further explained that while his father was born in Germany he had lost his German citizenship years ago. It does not appear, however, that Mr. Schon, Sr. became a British Subject in England. Mr. Schon, Jr. was thereupon advised that as he had attained his majority it would be necessary for him to become a British Subject by naturalization in his own name.

Under date the 27th of July last Mr. Schon forwards a letter from Mr. E. T. Harding, Clerk of the Court at Stettler, Alberta, in which he states that after discussing the matter of Schon's naturalization as a British Subject with the Judge, His Honour was of the opinion that Schon's English birth constituted him a British Subject and it would not be necessary for him to proceed with his application for naturalization. His Honour, however, was careful to

OTTAWA, 28th November, 1922.

MEMORANDUM:

Mr. Hume,

Re.N.E.¼ of 15-34-3, W. 4th M.
Pre-emption, Mr. Fred Wm. Sohon.

This man made application for patent for his pre-emption on the 29th of October, 1920, having performed the necessary residence and cultivation duties.

Certificate of Recommendation expired on the 18th of March, 1922, and the home settler was granted an extension to the 1st of March, 1922, within which to complete his payments.

A communication was received from Mr. H.J.Fremm Relief Commissioner, dated the 25th of November, last, in which he stated that Mr. Sohon had a complete crop failure this year and is not in a position to make any payments on account. The Commissioner recommended that arrangements be made to grant Mr. Sohon a further extension of time for the payment of the amount due on his pre-emption.

The matter was referred to Mr. Cattle asking for a report.

Mr. Cattle states:

"I beg to say that I have reports from Seed Grain Collectors in almost every district in the Western Provinces and I know from the reports received that the crops are a failure in the district in which this land is situated, and therefore, it is impossible for homesteaders to pay either their seed grain or pre-emption indebtedness.

"I do not think in this case it is necessary to secure a further report from the Inspector, and I would therefore recommend that Certificate of Recommendation in this case be further extended until the 1st of November, 1923."

In view of the above report I would recommend that Mr. Sohon be granted an extension to the 1st of November, 1923, to complete payments, as it does not appear he wishes an extension of the Certificate of Recommendation. Certificate of Recommendation on file.

Referring to your application for an extension of time in connection with your Certificate of Recommendation, I beg to say that it has been decided to grant you an extension of time to the 1st November, 1923, in which to complete payment, on account of purchase price and accrued interest, for the land above described.

This is not to be considered an extension of time on your Certificate of Recommendation, and you will not be in a position to mortgage or assign your interest in the land, the Certificate of Recommendation having expired.

Interest is chargeable on all overdue accounts at 5% up to the 1st September, 1919, and 7% thereafter to the date of payment.

Sir:

From a Homestead Inspector's report of 24th November last, it is noted that you were interviewed regarding your Seed Grain indebtedness against this land and that you intimated that you would make some payment this fall.

As no payment has so far been remitted, and as you have only made a small payment on account of your indebtedness since the 1915 indebtedness was incurred, I am therefore to request - if you are not in a position to make some payment at the present time - that you at least make arrangements for a substantial payment this fall, as your indebtedness cannot be allowed to accumulate in interest from year to year without some payment, as it would appear you had shown indifference in this matter in the past.

Re: Account of Frederick Wm. Sohon,
E.½ 15-34-3-W.4th.

The matte r of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 and 1919 seed grain and relief amounting to $404.65 were advanced to Frederick Wm. Sohon on the security of the above mentioned land. A payment of $45.80 was received in 1916 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$ 362.47	$ 821.47	$ 1,183.94

Patent was issued in the name of Frederick William Sohon for the S.E. 15-34-3-W.4th on the 6th of January, 1921, subject to the 1915 and 1919 liens. The N.E. 15-34-3-W.4th was formerly the pre-emption entry of the debtor whose entry was later cancelled and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 25th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"The North East quarter is unalienated Crown land while title to the South East quarter is presently vested in this Department having been acquired through Tax Recovery proceedings. This land is occupied at present under Cultivation Lease as issued by this Department, and in view of it being situated in that part of the Province designated Special Areas there is little likelihood of any sale being made of same."

The information obtained indicates that the land is such that it is unlikely to be disposed of by sale in the near future and no longer offers any security of value for our liens. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Pre-emption - - F. Bruntzen.
Entry granted - 3rd July, 1913.
Homestead patented.
Certificate of Recommendation on file.

This entrant is in default as regards payment of the purchase price.

A Homestead Inspector's report made in April last shows 70 acres under cultivation on the homestead, and 110 acres on the pre-emption, 80 acres of this area being in summer fallow this year. The Inspector stated that the entrant had left his land, and purchased land in the New Bridgen district, and that a Mr. Waller had the homestead and pre-emption on crop shares. On receipt of this report cancellation proceedings were instituted against the entry, and the entrant has filed a defence. He states that he has had only one real crop on the farm, being in 1915 -16. He states that he intends making a payment this fall, and asks how much he will need to pay.

Under the circumstances it is suggested that he be granted an extension to the 1st November next to make a substantial payment on account, say at least $100.00.

RE: Account of Fred Bruntzen
Pa 27-31-3-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to $400.00 was advanced to Fred Bruntzen on the security of the E½ 27-31-3-W.4th. A payment of $250.00 was received in 1921 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$ 184.98	$ 455.25	$ 640.23

Patent was issued in the name of Fred Bruntzen for the S.E. ¼ 27-31-3-W.4th on the 14th of June, 1921, subject to the 1919 liens. The N.E. ¼ 27-31-3-W.4th was formerly the pre-emption entry of the debtor which he abandoned on the 19th of February, 1928.

This half section of land is of very low assessed value and has never been revenue producing sufficiently to enable the repayment of the liens.

According to an Abstract of Title dated the 10th of January, 1956, the S.E. ¼ 27-31-3-W.4th now stands in the name of the Municipal District of Canner No. 301, subject only to our liens; while the N.E. ¼ 27-31-3-W.4th now stands in the name of a Mr. Clauce Prentice of Esther, Alberta. clear of any Federal encumbrance. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

W.J. Taylor.

Madam,-

I ... in receipt of your letter of recent date requesting the South East quarter of Section 13 and North East quarter of Section 7, Township 29, Range 15, West of the 4th Meridian.

From the records of this Department it appears that these lands are at the present time held under entry as a homestead and pre-emption, the homestead entry being the South East quarter of Section 13.

There is no information on file to indicate what duties if any have been performed on the land, but as the entries have been standing for a considerable period it would seem that the required duties are not being performed thereon the entries may be liable to cancellation.

In order to make application for the cancellation of an entry it is necessary that the applicant appear in person before the Agent of Dominion Lands or Sub-Agent for the district in which the land is situated, and in this instance the lands are situated within the Calgary Land District. It is also necessary when making -entry-

Dear Lands Branch

. . . .

The manner in which homestead entry by proxy may be made is explained on pages 1 and 2 of the "Handbook". A soldier on active military service appears in at liberty to make homestead entry in this manner, provided of the use of the relatives mentioned or some one living in Western Canada, who could be willing to act for him. A blank form which may be used for this purpose is attached hereto. Should a soldier obtain entry in this manner and be still on active military service overseas, it would not be necessary for him to appear before the Agent of Dominion Lands within six months of date of entry for the purpose of certifying him that he was already in residence on his homestead or that he would be in residence before the end of the six months. A homestead secured in this manner would be protected during the time the entrant is on active military service overseas, but, as stated above, the time will not count as constituting residence thereon.

I am sorry to say it is not possible to permit you to make entries on behalf of your nephews. The only conditions on which entries may be made on behalf of others are those mentioned.

If there is any further information you would like concerning our land laws you might write to me.

Yours truly,

Dear Mr. Broder,-

I have your letter of the 23rd ultimo enclosing one from Miss L. E. Coons, 34 Lawrence Avenue, Potsdam, N.Y., on behalf of her sister, Mrs. Ida C. Armstrong, and her nephews, who are on active service overseas. I am sending you herewith a copy of the letter I have written Miss Coons, in which I undertake to furnish her with full information in regard to inquiries she made.

It does not look as though her sister has much of a chance of securing entry for the land mentioned as the present entrant has definitely expressed his intention of applying for his patent, but if the sister is entitled the duties have not been performed she can make an application for inspection, and should the present entry be cancelled or been abandoned she will be given first opportunity to make re-entry on the usual terms if she is eligible.

Minister of the Interior

Dear Sir

Regarding matter I spoke to you about
this morning re Mr. Burke, I would
say that this is a matter for the
Dept. of Justice, & not for the
Dept. of the Interior. The Deputy
Minister of Justice is the proper
person to consult in the first instance
The Commissioner would grant a lease

of Justice to the effect that the
applicant had complied with the law

desirous of cancelling, but as the name is uncommon it is probable that the parties mentioned are relatives. Whether there is collusion or not between the parties interested, is a question on which we have no definite evidence. If Mrs. Armstrong was permitted to file an application to cancel she would have to take an affidavit that there was no collusion or understanding of any kind between herself and the party holding entry.

The Department has in certain cases recognized the adoption of a minor child as entitling the woman adopting such child to the privilege of making homestead entry.

This adoption is, of course, of very recent date and has probably been entered into with the sole object of placing Mrs. Armstrong in a position to claim that she is the head of a family and, consequently, entitled to homestead entry, but, nevertheless, there is no reason to doubt the bona fides of the persons entering into the agreement.

Sub-section 2 of Section 9 of the Act sets out that in the case of any woman who, claiming to be the sole head of a family, makes application for entry for a homestead, if any doubt arises as to her status as the sole head of a family, the Minister may decide whether her application shall be granted or refused.

Miss L.E. Coons has been corresponding with the Department through Mr. A. Broder, M.P., in regard to this matter.

In a letter addressed to Miss Coons, dated the 2nd of March, 1917, it was pointed out that as Mrs. Armstrong had no children dependent upon her she was not entitled to make a homestead entry on her own behalf. It was further pointed out that according to the correspondence on file it appeared that Mr. Silverthorn intended to complete his settlement duties.

Miss Coons has now forwarded an agreement of adoption entered into between Mrs. Armstrong and Robert Lawrence Silverthorn and his wife, with respect to a minor child belonging to the latter.

This agreement is dated the 11th of July, 1917, so the adoption is of very recent date.

Memorandum: ~~Mr. Goldstein,~~

The fractional South West quarter of Section 30, South and West of the River, Township 19, Range 1[illegible], west of the 4th Meridian, is apparently shown in your records as a cancelled stock-watering reserve. This land was sold at public auction in September, 191 , and although the sale has since been cancelled the land should no longer be noted as a cancelled stock-watering reserve. Please note carefully therefore that in future this land should be reported as clear unless some other reservation is placed against the same.

~~Land Patents~~ Branch,

Please note that the above mentioned land was sold at public auction in September, 191[illegible], that the reservation for stock-watering against the same was, therefore, cancelled and that the land is no longer to be considered as a cancelled stock-watering reserve, but is vacant in so far as this Branch is concerned.

Please also see File No. 4[illegible] attached, in which you ~~have~~ are requested to cancel the notation of that file against this land.

When the above action has been taken, please report standing of the land in your records on Mr. Gresley's memorandum of the 16th ultimo.

May 30th.1915

The Officer Commanding
R.N.W.M.Police
Fort Sask.Sub-Dist.
Edmonton.

Sir,

re Alexander Sheput,destitute.

I have the honour to report that,acting on instructions from Corpl.Clifford,I left St.Paul des Metis on the 27th. inst.,with S.R.Reg.No.[illegible] on patrol to Stry,to investigate this case,and arrived on the 28th.inst.

I saw the above man who informed me that he came to this Country from Austria in Feby.1908.He worked for one year in Vancouver,four years in the Edmonton district,and has been on his Homestead for the last two years.His homestead is the S.E.-33-58-13 W/of the 4th.M.,and he is still the bona fide holder of same.In the Winter of 1914 this man sent to Austria for his wife and family of five children and paid their passage to Canada.The above man's stock consists of a team of horses,one cow and calf,three pigs,and some chickens,and he has about ten acres in crop.Sheput states that he has tried to get work this Spring but without success.His eldest son,aged 19,has also walked to Edmonton to look for employment but was not able to obtain any.

From a careful investigation,this family is,in my opinion,entitled to relief.If relief is granted,the goods could be shipped from Edmonton to Vegreville and Sheput would call for them at that point.

I have the honour to be
Sir,
Your obedient servant

Sir:

By a copy of his letter to you dated the 14th April, the Registrar of Lands, Ottawa, has forwarded to this office a copy of your letter of April 6, concerning the status of Harry Hancharuk, of the N.W.¼-64-13-W 4th M., Wostok, Alta., your file 22309.

Our files show that Harry Hancharuk, applied for naturalization in the name Harry Honczaruk, and that he was issued with a certificate in Form "K", right to apply for Letters Patent, on the 21st October, 1920. He was not subsequently issued with a certificate of naturalization, and he did not become a naturalized British subject. In fact, the application for naturalization was rejected by the Court at Edmonton, in November, 1919, on the ground of insufficient knowledge of the English or French language, and that was why a certificate in Form "K" was issued.

Yours truly,

J.E. BUGGAN
Asst/Chief, Naturalization Branch.

[illegible] Re: [illegible] wat Board,

May 22,1943

Sir:

Re: Idina Leonard
[illegible]-5-9-W.4th.
Joint Relief Advance.

The above party on February 26,1923 obtained a joint relief advance of [illegible] hundred and [illegible] dollars and fifty cents ([illegible]) giving as security a lien [illegible] title to the above land. No payment has been made and including accrued interest to December 1,1941, there is a balance outstanding of [illegible] hundred and [illegible]-four dollars and twelve cents ([illegible].12).

The debtor has approached this office through the Secretary-Treasurer of the local municipality [illegible] a compromised settlement of [illegible] account and offering the sum of fifty dollars ([illegible].00). The Secretary-Treasurer of the municipality advises that he farmed the above quarter section together with an additional [illegible] acres from 1939 to 1942 when he found it necessary to abandon active farming. The debtor has been partially supported by his children over a period of years and is now applying for his old age pension and he anticipates [illegible] be able to maintain himself and wife on his pension and the proceeds of the sale of his land. He has sold his land for the sum of three thousand dollars ([illegible].00) [illegible] two thousand dollars ([illegible].00) cash and the balance to be paid to him at the rate of two hundred and fifty dollars ([illegible].00) per annum.

In view of the circumstances set out it is evident that the debtor is [illegible] able to make any large payment on account of this indebtedness and it is my recommendation that the offer be accepted, the account being so adjusted that upon application of the sum of fifty dollars ([illegible].00) the same shall be paid in full.

Provincial seed grain advances of one hundred and fifty-two dollars ([illegible].00) have already been cancelled together with accrued interest.

Sir,

With reference to your letter of the 13th January last addressed to the Agent of Dominion Lands, Edmonton, I beg to inform you that according to the records of the Department Mr. Oscar F. Sir,

I beg to acknowledge receipt of your letter of the 10th September last, your files 201[illegible] and 201336, respecting the sale to the late C. F. Schoff of Legal Subdivisions 7 and 8 of Section 31, Township 62, Range 10, west of the 4th Meridian, North of the river, and fractional North East quarter of Section 31, Township 62, Range 10, west of the 4th Meridian, East of the river.

In your letter it is stated that due to the two sales being confused in your office the receipt for final payment issued to him was erroneous, and that his son, the executor of the estate, requested that in view of the fact that he was under the impression that everything had been paid on the land that he now be asked to pay only the principal due, and suggesting that he be allowed to make payment of the principal without exacting interest on the amount. In reply I beg to say that as there is no provision in the Act whereby interest may be waived it will be necessary that payment of the full amount of principal and interest be made.

Your obedient servant,

[illegible]

Commissioner.

The Agent of Dominion Lands,
Edmonton, Alberta.

MAR 16 1900
DEPARTMENT OF
THE INTERIOR.

Asst. Secretary Interior.

As to the request that the Department waive the interest, the statutes preclude such action and the deceased was as much to blame as our Agent of Dominion Lands at Edmonton as the receipt should have been immediately returned for correction.

Director,
Ordnance, Admiralty and
Public Lands Division.

Harvey Fitzsimons

When Dr. Schoff remitted the sum of $44.34 in the year 1921, he intimated to our Agent that it had been his desire for separate sales to be made for the two parcels of land, and he asked that sufficient of the payment of $29.03 be applied to the sale of Legal Subdivisions 7 and 8 to meet the first payment due on this parcel.

In accordance with the wish of Dr. Schoff separate sales were made and as sufficient moneys had been received to complete payment of the purchase of Legal Subdivisions 7 and 8 of Section 31, Township 62, Range 10, West of the 4th Meridian, letters patent issued on the 10th January, 1922, in favour of Dr. Schoff.

When going over the old sales it came to the attention of the Department that the terms of purchase had not been completed for the fractional North East quarter of Section 31, Township 62, Range 10, West of the 4th Meridian, lying East of the river, and a statement of the account was sent to the Agent with the request that he communicate with the purchaser and secure payment of the arrears.

To the request for payment a letter was received from Mr. G. D. Schoff, Vassar, Michigan, wherein he intimated there was in his possession a receipt from the Department acknowledging a payment of $44.34 as being final instalment purchase fractional North East quarter Section 31, East of river.

The Agent explains that due to confusion in the effort to straighten out the account to the satisfaction of Dr. O. F. Schoff, now deceased, evidently an error was made in describing the land when acknowledging the payment./

Had the purchaser lived it is unlikely that the present difficulty would have arisen, and as the sale terms for the fractional North East quarter of Section 31, Township 62, Range 10, West of the 4th Meridian, have not been completed, the Department is not in a position to issue title to the land.

Memorandum:

Mr. Martin.

Mr. D. F. Kellner, M.P. wishes information with respect to the sale of fractional areas in Section 31, Township 62, Range 10, West of the 4th Meridian to Oscar F. Schoff.

It would seem from the records of the Department that by letter the 17th February, 1917, Dr. Oscar F. Schoff was given permission to purchase Legal Subdivisions 7 and 8, lying north of Beaver River, of Section 31, Township 62, Range 10, West of the 4th Meridian, an area of 16.1 acres, at the Inspector's valuation of $3.00 an acre, the sale being subject to Dr. Schoff filing with us evidence of ownership of the fractional South West quarter of the same section.

By letter the 19th September, 1917, Dr. Oscar F. Schoff was given permission to purchase the fractional North East quarter of Section 31, Township 62, Range 10, West of the 4th Meridian, lying East of the river, an area of 22.6 acres, at the Inspector's valuation of $3.00 an acre, the sale being subject to the earning of title to his homestead.

Our Agent of Dominion Lands, Edmonton, reported the 24th November, 1917, a payment of $29.03 when a sale was opened for the two parcels of land.

5530267

Mr. Schoff and a search of the transcripts of the Time Sales Accounts does not reveal that this Department was furnished with a copy of the account in connection with this sale.

Mr. G. D. Schoff, the Executor of the Estate of the late purchaser is endeavouring to close out the Estate and he wishes to acquire particulars as to the application of the moneys referred to.

Under the circumstances, I would be pleased if you would furnish me with a copy of the account in connection with each of these Sales showing thereon the disposition made of the $73.37, paid on these accounts.

In connection with Sale No. A. 10355, a transcript of the said Sale will be required for the Accountant's Section of this Department.

Your obedient servant,

Agent.

Re: Frl. N.E. 31--62--10,W. 4th M. E. of River,
Area - 22.6 acres, Your Sale # 10355 A.

L.S. 7 & 8, Sec. 31--62--10, W. 4th M.,
North of River, area 16.1 acres,
Your Sale No. 10355.

The records here indicate that the late Oscar Schoff was granted permission by Department of the Interior letter of the 19th September, 1917, to purchase the Fractional North East Quarter of Section 31, referred to above, your File No. being 3767921.

It further appears that Mr. Schoff was granted authority by Ottawa letter of the 17th February, 1917, your File No. 2191105, to purchase Fractional Legal Sub-divisions 7 and 8, North of River, in this Section.

The records also indicate that on the 24th November, 1917, Mr. Schoff made payment to the Agent at Edmonton in the sum of $29.03. The records here do not indicate whether this amount was to be divided and part of the moneys applied on each of the Sales.

On the 31st October, 1921, Mr. Schoff made a further payment of $~~22~~.~~34~~, for which Edmonton Agency General Receipt # 327294 was issued and which Receipt indicates that this payment was to be applied on the Frl. North East Quarter of this Section, only.

It would seem that of the two payments referred to a sufficient amount was applied on Sale No. 10355, covering Legal Sub-divisions 7 and 8 to make payment in full of the purchase price of the 16.1 acres and that Letters Patent for this area were issued on the 26th August, 1921.

I am advised that the purchaser was at that time under the impression that he was making payment in full of the purchase price of both parcels of land.

The Frl. N.E. Quarter of Section 31, East of the River is shown in the records here as an unpatented Sale in the name of

Mr. Schoff and .....

Sir,

re [illegible] 1-21-3-W. 4th M.

I beg to acknowledge your letter of the 17th ultimo, enclosing copy of one from E. H. H. Poynter, of Whitevale, Ontario, together with a copy of your letter of the 12th February last, addressed to the Minister, and in reply would say, in view of the illness of Mr. A. C. Goeden, there will be no objection to his authorizing someone to make Soldier Grant entry for the above mentioned quarter-section, formerly his pre-emption. For this purpose I enclose herewith a blank form of application for "Entry by Proxy", No. 21A, which should be filled in by Mr. Goeden and forwarded to the person authorized to make the entry together with his Certificate of Attestation from the Soldier Settlement Board.

It is assumed that Mr. Goeden fully understands that should he take up this land as a Soldier Grant, he will require to perform the usual residence duties, that is to say, six months residence in each of three years and that he cannot be allowed to count his military service in lieu of residence. In view of his illness this matter should be fully considered before he goes to the trouble of making the entry.

Rel.

On the other hand, by retaining the land as his pre-emption his military service would count and providing the requirements of his entry in that regard were fully satisfied by reason of military service, it would only be necessary for him to complete payment of the purchase money in order to be in a position to acquire patent.

Assistant Secretary.

Dear Sir:- - Re Ex-Pte. E. C. Goeden, #90110.

I take the liberty of writing you in reference to my nephew Pte. E. C. Goeden, #90110, who enlisted at Calgary in the late Fall of 1914 and went overseas with the 31st Batt., returning to Canada in June, 1919. At the time of his enlistment he was on his homestead and pre-emption farm, S½ 18-25-5, w.4th M., Alberta. All the required duties had been performed with respect to the homestead, and 50 acres are now broken on the pre-emption. All taxes to date have been paid on both homestead and pre-emption.

Since his return from overseas Mr. Goeden made application to the Departments of the Militia and Interior to have his pre-emption given him as a Soldier's Grant, and has been advised that his request has been granted, and in a letter from the Agent of the Dominion Lands and Crown Timber Office at Calgary, dated January 19th, 1920, he is advised that his "pre-emption entry for the S. E. ¼ 18-25-5 W. 4th Mer. has now been cancelled in our records, and a period of 30 days from this date is hereby allowed you to secure entry for the land as a Soldier's Grant."

From other letters received from the Department of the Interior it appears he is required to appear personally at the Land Office at Calgary to make his application for the Soldier's Grant of the land, which would be quite impossible for him to do at the present time, as he has confined to bed from illness for several weeks with kidney trouble, and the doctors in attendance fear he may have to be removed to a Hospital for an operation. They say it may be months before he is fit for work of any kind or for travel.

Now, sir, in addressing you in reference to this matter I am not seeking a grant from the funds under your control for my nephew, and it may be that this land busi-

Re: Account of George Methemy
W.½ 10-25-8-W4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain and relief amounting to $135.00 were advanced to George Methemy on the security of the above mentioned land. A payment of $75.00 was received in 1928 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$115.00	$168.75	$283.75

Patent was issued in the name of George Methemy for the N.W. 10-25-8-W4 on the 21st of May 1919, and for the S.W. 10-25-8-W4 on the 17th of February 1920, subject to the liens.

In reply to our questionnaire of the 20th of May 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"Title to this land is presently vested in this department having been acquired through proceedings under the Tax Recovery Act. This land is occupied at present under long term grazing lease and in view of its location in that part of the Province designated Special Areas there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security. It is recommended that the balance of the indebtedness be cancelled and the liens discharged.

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

Memorandum.

November 10th, 1919.

Mr. Hume:

N.E.¼ 26-13-3-W.2.M.
Pre-emption late No. 22171 Pte. Sidney Matthews.
Entry granted 5th December, 1911.

Mr. Matthews enlisted for active service on the 18th April, 1916, with the 13th Canadian Mounted Rifles, was transferred to the 27th Overseas Battalion, Canadian Expeditionary Force, and according to certificate of death of the 12th March, 1918, was officially reported as missing on the 3rd May, 1917, and has since been for official purposes, presumed to have died on or since that adate.

The certificate of the Militia Department has been compared with the application for entry and though the former is in the name of "Sidney Matthews," while the latter is in that of "Sidney Clement Matthews," there is no doubt as to the identity of the deceased.

Search has also been made for any indebtedness to the Crown in the shape of seed grain, fodder or relief, and the Seed Grain Branch reports no liability.

The Trusts and Guarantee Company Limited, Calgary, Alberta, the Attorney of John W. B. Matthews, the natural and lawful father of the deceased and the sole beneficiary named in his will, has been granted Letters of Administration, and in the communication of the 16th of last month asks that a certificate of Recommendation be issued in order to deal further with this pre- emption.

Ottawa, AUG 2 1931

MEMORANDUM:

Request for Title under Order-in-Council of the 4th of June, 1921, where duties completed by soldier settler.

RE: Joseph Jackson,
S.W.¼ 24-26-8-W.4th Hd.
N.W.¼ 24-26-8-W.4th S.G.

The above described lands are the unpatented homestead and soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 16th of June, 1931, the settler secured from the Soldier Settlement Board advances totalling $3,129.00 as follows: special advances $344.00, stock and equipment $1711.75 permanent improvements $1073.25. As security the Director of Soldier Settlement, upon whom under Chapter 53, 21-22, George V, has devolved all the powers and authority heretofore vested in the Soldier Settlement Board, holds a charge on the settler's homestead and soldier grant. There is no other land security in this case.

It is reported that the settler has completed the duties in connection with his homestead and soldier grant and would be entitled to receive patent but for the charge referred to. This is confirmed by the letters from the Deputy Commissioner of Dominion Lands to the settler dated the 20th of July 1931, and the 23rd of July 1931.

The regulations approved by the Governor-in-Council on the 4th of June 1921, P.C. 1821, enable the Minister, on completion of duties by the settler and on the request of the Director of Soldier Settlement to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Director, title remaining in the Director until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Director.

The settler has requested that title to these lands be issued to the Soldier Settlement Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to and in view of the powers accorded to the undersigned under the recent amendment to the Act, it is requested that the right, title and interest of His Majesty in the S.W.¼ 24-26-8-W.4th and N.W.¼ 24-26-8-W.4th be vested in the Director of Soldier Settlement.

Vesting order checked and found correct

WITNESS

The charge created against the land is an effective one under Section 26 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his homestead and soldier grant.

A vesting Order for signature is attached hereto.
